**CAPABILITIES:** zCore Business Solutions, Inc. (zCore) is a minority-owned small business IT consultant company specializing in aligning business processes with technology. zCore, a premier IBM Solutions provider and Microsoft Partner, is a world-class, internationally-focused custom software solutions, specializing in collaborative, workgroup, and knowledge/project management. Our forte is team-based solutions: developing synergy between our clients (partners), the domain experts; and ourselves, the software experts, adding value to all business partners involved. We emphasize collaborative requirement analysis and rapid prototyping: a recipe for good business and software development.

zCore is a SBA Certified 8(a) and SBA Certified SDB with the following capabilities:
